^{*} The basic rate of financial support is 480-600 EUR, i. e. rates for study stays. For traineeship there is increase of +150 EUR/30 days.

^{**} If a student comes from a disadvantaged socio-economic background (not related to disability), the rate can be increased by 200 EUR / 30 days. For a traineeship, only one of the above increases can be allocated, i.e. either EUR +180 or EUR 200 if the conditions for granting student support from a socio-economically disadvantaged environment are met.

^{***} The rates for traineeship are also valid for alumni's traineeship
