

# **SUMMER 2016 INTERNATIONAL HARMONIZATION INTERNSHIP PROGRAM**

## **NextGen Ambassador**

Embry-Riddle Aeronautical University and the federally sponsored NextGen Programs at the Florida NextGen Test Bed are looking for undergraduate students in their final year and graduate students to participate in NextGen research and project management. The internship is a non-paid position and the participant is responsible for his/her own travel, lodging, transport, food, and incidentals. The location of this internship is Daytona Beach, Florida, USA. The internship is for the Summer of 2016 but dates and durations can be negotiated. Eligible applicant's fields of study are in Business Administration, Air Traffic Management, Aerospace Engineering, Software Engineering, or other aviation related fields.

For more information contact the ERAU Office of Global Engagement at [GoGlobal@erau.edu](mailto:GoGlobal@erau.edu) or call +1 386.226.6215. To apply, please fill out the application found at: <http://daytonabeach.erau.edu/degrees/study-abroad/incoming-exchange/index.html> For incoming students, mark the "Internship" section on the top of the application.

EMBRY-RIDDLE AERONAUTICAL UNIVERSITY (ERAU), the world's oldest, largest, and most prestigious university specializing in aviation and aerospace is the only fully accredited, aviation-oriented university in the world.
